TASIS England Congratulates the Class of 2026 on their IB Results

TASIS England is pleased to announce the 2026 exam results for its International Baccalaureate (IB) students. This year's IB Diploma Programme candidates achieved an excellent average diploma point score of 34, outperforming the global average of 30.88 points. 40% of subject exams received grades of 6 or 7.

These results reflect academic success as well as the determination and curiosity our students demonstrated throughout the program. We are grateful to the exceptional faculty who provided personalised learning opportunities to our students throughout their time at TASIS, and supported them as they developed the essential skills produced by the IB Diploma Programme. The IB encourages students to think widely, embrace challenges, and grow through new experiences, and our students approached those opportunities with openness and commitment to their individual learning journeys.

Head of School Bryan Nixon congratulated the Class of 2026 and added, "this week, we are celebrating success and the grades awarded, as well as the individual stories of our students, who each demonstrated a commitment to exploring their unique learning pathways, and who will continue to engage confidently in their lifelong learning journeys as they move on from TASIS England."

We look forward to cheering our students on through their many successes as they move into top universities around the world.

- ENDS -

TASIS England is a leading independent, co-educational school in Thorpe, Surrey, for day (ages 4-18) and boarding students (ages 13-18). Students from more than 70 countries contribute to a unique and dynamic learning environment, thriving in an atmosphere that encourages character development and academic achievement and celebrates the School's international community.
